

SQUEAKY CLEAN

WHAT PEOPLE ARE SAYING...

THEATRE-BY-THE-SEA (RHODE ISLAND) CHILDREN'S FESTIVAL DIRECTOR:
"Thanks for the stupendous shows you gave us. From the moment you hit the stage, the joint was jumpin' Your performance electrified the kids!"

INTERNATIONAL CHILDREN'S FESTIVAL (WOLF TRAP) CHAIRMAN: "I want to express my appreciation to you for sharing your fine talent with audiences in the metropolitan Washington area. You "squeaked" your way into many hearts."

MANHASSET PRESS: "Program coordinator Mary Hahaffey acknowledged it has become a tradition that the first concert of the series is always Squeaky Clean. The band was terrific, had everyone toe tapping and maintained a running commentary between songs. Mahaffey  offered "Everyone has such fun!"

KASSCHAU MEMORIAL SHELL COMMITTEE: "Your show is always so well received. It's a joy to hear the audience singing along with you. And the "hand jive" is so much fun to do! Thank you again for helping us celebrate the band shell's 50th anniversary year."

SCHOOL PRINCIPAL: "Most notable was the way you integrated mutual respect, working together, tolerance, racial and cultural differences - all positively - with music and the unifer."

FAN OF THE BAND'S APPEARANCES ON NICKELODEON: "I grew up watching this show and would have been four when this aired. Oh, man, I loved it so, so much, especially the musical acts. I would sit with my grandmother in the living room, and she would watch me, and this was one of our HUGE favorites.

Anyone who performed,? and especially a group that has such a great stage presence and charisma with children (guitar being the bells, explaining things, etc), well, you guys are just about heroes to me. Thanks for being a part of the show. :)
